Tick-tock

Tick-tock, tick-tock in the clock shop.

How many clocks can you see?
Here is one for you and one for me.

How many clocks can you see?
Now count, now count
One, two, three, four, five, six,
seven, eight, nine, ten, eleven, twelve!

Tick-tock, tick-tock in the clock shop.

How many books can you see?
Here is one for you and one for me.

How many books can you see?
Now count, now count
One, two, three, four, five, six,
